

Tower puts a new Aspex on things

THE newly completed Aspex units drew plenty of attention last Tuesday night when every light in the building was switched on at sunset.

Facing north overlooking Auckland Creek, the complex is a landmark by day and by night it creates an even more impressive sight.

With the builders set to move off-site within days, more than 65% of the 36 apartment complex are already sold or under contract.

The sales office in Lord Street is

open seven days; Monday to Friday 10am to 4pm and Saturday and Sunday from 10am to 3pm.

To book an inspection phone Leanne Fenech on 0400 131 525.

The recently completed Aspex apartments certainly stand out when all lit up at night time.
